Co-ownership Associations

Since its foundation, PRIVERA has been an expert in supporting complex co-ownership associations. We support various investor associations throughout Switzerland.

Our range of services includes

- Complete organisation and operation of large and challenging property complexes – most at top locations
- Coordination of all property management services as well as accounting
- Reporting that meets the highest requirements
- Planning and implementation of building measures in the interests of the investor

We offer comprehensive consulting services for investors interested in the co-ownership associations form of ownership.
